NORFOLK LOCAL NEWS.

BRAMBLETON.

Mrs. J. D. Wilson, 321 Maltby avenue, left yesterday for Indian Creek to visit relatives.

Mrs. W. E. Cofer and children have returned to their home, No. 416 Shelton avenue, having visited the parental home in Petersburg, Va., for several months.

The Children's Day exercises Sunday night at McKendree was a highly creditable affair. The building of "Gates Ajar," with solos, duets and recitations, by the little children of the school, was intensely touching and impressive. Special features of the occasion were an explanation of the collections taken by Rev. J. T. Mastin, who said they were partly for a Sunday school library. In this connection he denounced with emphasis certain literature now and then thrown around the streets of the city for family reading, as being decidedly pernicious to the morals of the young. And two prizes were awarded for the highest number of scriptural verses recited in the high class and the infant class rooms during the year, Misses Mattie and Grace Harwell receiving them respectively.

A good crowd witnessed with pleasure the entire programme.

Mr. and Mrs. S. Pettis, No. 10 Cecelia avenue, lost by death their infant, Lena May, yesterday at 11 a. m., aged 6 months. Funeral will take place to-day at 11 a. m.

Mr. and Mrs. W. S. Belote, No. 504 Highland avenue, had the misfortune to lose by death Sunday their little daughter Faith, aged 9 months. The funeral will take place to-day at 3 p. m., Dr. J. J. Hall officiating.

Sunday morning at Trinity M. E. Church the Children's Day exercises took place. Many were present to witness the affair, which was really enjoyable, the programme comprising solos, recitations, etc.

A communication from the Norfolk Company, relating to the drainage of certain ponds as ordered by the Board of Health, was read.

The secretary was instructed to notify the Board of Health that the sanitary condition of the gutters and streets of the ward had been provided for by the usual annual cleaning.

A letter from the Gunpowder Fire Alarm Telegraph Company made certain propositions as to fire alarm system for the ward. On motion, the matter was submitted to a committee as follows: Messrs. Nottingham and Lowellyn.

Mr. E. J. Acker was present and asked franchise to put a bridge over Lambert's creek under certain conditions. On motion, Messrs. Heistand and Nottingham were constituted a committee to look after the matter, the chairman being added to the committee.

A petition from the tax payers was read, in which they asked for curbing, guttering and shelling the streets of the ward. The expression of the Board was decidedly in favor of such improvement, whereupon, on motion, a committee of one, consisting of the chairman, was appointed to ascertain the financial status of the ward and report the same to a meeting of the Board previous to a public meeting of the citizens in regard to the matter.

Certain approved bills were ordered paid.
